SOCIAL ENTREPRENEURSHIP ONLINE CAMP

Ai x Aging Society

*PART OF THE KANSAI UNIVERSITY DIGITAL TRANSFORMATION PROJECT

BUSINESS FOR A BETTER WORLD

Join your peers at Kansai University in Japan and others from all over the world for a short-term intensive online program based on content from world-renowned startup accelerators. Learn how to validate business models and frame solutions to some of the most pressing challenges of our time under the UN's Sustainable Development Goals (SDGs).

You will build your own impact startup team, gain a better understanding of decentralized tech, foster valuable intercultural communication skills, and start building a professional network with corporate sponsors for future job opportunities!
